Brisbane City Council Orders Additional Services from SenSen

HIGHLIGHTS

- *Brisbane City Council orders two additional systems and services under the “Suburban Safety Mobile Technology Solution” (SSMT) contract signed in February 2017*
- *Total number of vehicle-mounted camera and GPS systems supplied to Brisbane City Council now amounts to five systems*

Leading smart cities solution provider SenSen Networks Limited (ASX: SNS, “SenSen” or “the Company”) is pleased to advise that it has received new orders to supply two additional fully automated parking enforcement units to Brisbane City Council (“BCC”) under the “Suburban Safety Mobile Technology Solution” (SSMT) contract No. 510610.

The additional services are to be supplied to BCC by SenSen by 30 June 2019 and include two SenFORCE units. SenSen will earn upfront revenue for the systems, software and commissioning of the units. SenSen will also earn annual recurring revenues under the contract.

As previously announced, SenSen signed a multi-year contract with Brisbane City Council, Australia’s largest Council, in February 2017, to provide a range of solutions relating to suburban safety mobile technology.

This new order brings the total to five vehicle mounted systems to help automate parking enforcement and sign audit processes and assist in managing the City’s traffic congestion problems.
