Leading Smart Cities and AI software solutions provider SenSen Networks Limited (ASX: SNS, "SenSen" or "the Company") is pleased to announce it has raised \$7,150,000 through the issue of 57,200,000 new fully paid ordinary shares at \$0.125 per share (**Placement**) from professional and sophisticated investors. The Placement Shares were issued on 5 January 2021.

The issue price of \$0.125 per Placement Share represents a discount of 9.29% to the 30-day Volume Weighted Average Price (VWAP) of SenSen shares.

The allotment of the Placement Shares will be issued within SenSen's 15% placement capacity under ASX Listing Rule 7.1. The Placement was not underwritten.

The Placement Shares will rank equally with existing fully paid shares in SenSen. As far as the Company is aware, no New Shares are agreed to be issued in the Placement to a related party or otherwise to any person referred to in Listing Rule 10.11.

The funds raised from the Placement will be used to add new key executives in Sales & Marketing and Project Management, as well as for Marketing and Business Development Management initiatives. In addition, the funds will allow the Company to extend its COGS inventory for rapid project deployment and very importantly, provide additional funds for ongoing R&D and technology development to maintain and enhance SenSen's leading position in its business segments.

As part of the capital raising, the VGI Partners Asian Investments Limited Fund (ASX:VG8) will join the SenSen register as a Substantial Shareholder.

Commenting on the capital raising, SenSen's CEO Dr Subhash Challa said:

"Following a strong 2020 growth year for the company despite the global effects of COVID - 19, this capital raising means we are now extremely well positioned to execute the Company's aggressive expansion plans in 2021 and beyond."

"SenSen is delighted to welcome global equities manager VGI Partners to the Company. The fund's focus on investing in businesses with a competitive advantage for the long-term clearly aligns with SenSen's strategic plans."

"Similarly, we are delighted to enter a new phase of institutional and sophisticated investor support for the Company as we aggressively pursue expansion in our target markets and rapidly grow our revenue profile especially in the US."

This release is approved by the Board of SenSen.
